

This year, \$150,000 was donated by SPH Foundation in support of the Special Education Financial Assistance (SPED FAS) Scheme in aid of more than 1,000 disabled and special needs students from low income families.

### **About the SPED FAS**

The SPED FAS was set up to provide financial assistance for students who are Singapore citizens, from low income families and currently studying in the SPED Schools. The scheme ensures a basic level of assistance and provides greater financial security for their families. The items covered under this scheme include school fees, school attire and textbooks.
